

Charles Chocolates believes that chocolates are food—fresh food—and as such, should be made by hand with only the finest ingredients. This philosophy has resulted in an obsessive commitment to finding **the best chocolates, the finest cream and butter, fresh herbs, fruits and nuts**, without ever using any preservatives or artificial anything. This dedication has resulted in **one of the most acclaimed and award-winning lines of small-batch artisan chocolates in the United States.**

- Hand-made in San Francisco
- Artisan chocolates & confections
- Zagat voted one of the best chocolate desserts in San Francisco
- No artificial preservatives, colors, or flavors
- NON-GMO
- Made with natural, clean ingredients
- Small-batch
