

Truly exceptional honey is only derived from the finest sources. Our hives are nestled among the unique native flora in remote locations around New Zealand, resulting in **the purest, most functional honey on the planet**. From our mellow, multi-flora bush honey to various grades of mono-flora Manuka honey, Ezie Bee brings nature's best honey to your kitchen table.

High antibacterial activity

Manuka Honey is known for healing wounds and warding off infection

- **Pure, 100% New Zealand honey**
- **Specialty Manuka & Bush Honey**
- **NO Glyphosate Residue**
- **Lab tested & MGO certified**
- **Non-GMO**
- **Farm-to-table**
