About the owner

Stacy Stahl is the owner of Sweeter Cards, a new greeting-card-meets-chocolate bar brand based out of St Louis. Sweeter Cards is Stacy's second business rooted in love and

sentiments, as she was also the founder of HowHeAsked.com—a website about all things marriage proposal that was acquired by The Knot. Stacy is a huge cheerleader for her friends and family and has always taken the time to celebrate others—she was even on The Ellen Degeneres Show after raising \$10,000 for the friendliest cashier at her local Walgreen's. In her constant search for meaningful ways to be thoughtful, Stacy found it repeatedly difficult to find things that were more than a card, but less than an overly expensive (and oftentimes wasteful) gift. **By combining gourmet chocolate and clever greeting cards, Sweeter Cards accomplishes just that!**
